CED 159
Arborist's Certification Review

Course will provide intensive study and review of the ISA Arborist Certification, and is taught by Nancy Lovingood, a certified arborist. The certification exam will be offered to class participants some time after the last night of class. You must qualify for the test through ISA. However, the tree care and culture information you will receive is important and valuable, whether or not you take the test.

Dates: Thursday evenings, 6:00 – 9:00 P.M. beginning January 20 – February 24, 2011.
Where: Horticulture Building (600) Room 102, Gwinnett Technical College
5150 Sugarloaf Parkway, Lawrenceville, Georgia 30042-5702

Cost: \$200 for course and (approximately) \$90 for manual (ordered by instructor from ISA) Arborist's Certification Study Guide

Deadline for enrollment:

Contact: Nancy Lovingood at NLovingood@gwinnettech.edu, or
Aaron Poulsen, Environmental Horticulture, apoulsen@gwinnettech.edu
678-226-6648.
